Welcome to our 2026 Members' Guide

It's our centenary year! And what better way to celebrate than getting out and about in our glorious countryside. Your CPRE membership unlocks access to unique discounts with over seventy properties, including the Broadway Museum & Art Gallery in Worcestershire and Ventnor Botanic Gardens in the Isle of Wight, which are new for this year.

To enjoy these offers, on arrival simply show your valid CPRE Countryside Card, which is sent with your renewal letter.

Thanks to your support as a member, CPRE has helped shape the countryside we know and love over the last 100 years - from campaigning for the first Green Belts and National Parks to winning protections for hedgerows and championing better planning legislation, local food systems and sustainable development. Together we can realise our vision of a beautiful and resilient countryside, loved by everyone, for the nation.

I hope you enjoy the visiting the properties featured in this guide. Although do please note that all opening dates and times are subject to change, so please check property website details or phone ahead before visiting.

With best wishes,
